# Freebird COM Hearing Protection

Art nr: 1001646

Previous art. nr: FRB102

Guardio Freebird COM is the communication-focused hearing protection (EN352) designed for teamwork. It features a noise-canceling boom microphone with speech enhancement technology and ambient awareness for immediate response to harmful noise. It operates on 16 channels in the PMR446MHz frequency with up to 18 hours of battery life. Smart solution where the hearing protection can easily be transformed from headband use to helmet adapter. It has been tested and approved for use with several leading helmet brands. Charger, headband, helmet attachment, and storage pouch are included.
