Technical Specifications:

Barcode	EAN: 8034108892429
Quantity	400 ml
Box / Case	12 Pz.
Aspect	Tin-Plate can containing under pressure fluid
Color	White foam
Odour	Characteristic
Relative density	at 20°C 0,87 ÷ 0,91 g/ml
Flash point	Und .0° C extremely flammable
Pressure at 20°C	4/6 bar
PH	>7
Initial boiling point	>100°C
Water solubility	soluble
Decomposing time	>200°C

MODALITY OF STORAGE

Before using: stock the product in a dry location and don't stock it with a temperature under 5°C and over 45°C, after the use, keep containers closed. In the original package, the product can be conserved for 24 months (warranty). The product doesn't expire.

After the first usage: conserve in a fresh and dry location, away from hot spring. Keep out of reach of children.
